

Florida Keys National
Marine Sanctuary
Advisory Council

FLORIDA KEYS & SOUTH FLORIDA ECOSYSTEM CONNECTIVITY TEAM MEETING

Tuesday, May 21, 2024

10:00am – 12:00pm EST

Join via Google Meet (recommended): meet.google.com/jvp-qzzp-gxx
or dial in by phone: 225-414-2291; PIN: 776-665-531

Agenda:

- **Welcome, Introductions, Administrative Items**
- **Watershed Restoration and Juvenile Fish Communities in the Ten Thousand Islands – Dr. Matt Kendall, NOAA**
The Ten Thousand Islands watershed provides an opportunity to investigate the influence of both more, and less, freshwater flow to coastal bays compared to locations with more natural hydrology. Dr. Kendall will highlight how fish tracking, bottom trawl, and water quality data were used to investigate how salinity and temperature differences among bays affect estuarine fish communities.
- **New Poll Results: Conservation Views in Florida – Cara Capp, NPCA**
National Parks Conservation Association recently conducted a public opinion poll in partnership with the Business and Polling Institute of Florida Atlantic University. Highlights of the results will be shared.
- **Public Comment**
- **Team Member Updates**
Please come prepared to give relevant updates. If more than five minutes will be needed or you want to share slides, please contact the Chair and Vice Chair in advance to arrange additional time.
- **Review Action Items & Adjourn**
